

# DEAR FAMILIES,

Effective August 16, 2021, our North Valley Pediatrics office will transition to become a part of Horizon Health and Wellness. We are happy to announce that the Dr. Louis Trunzo and the same incredible team of support staff will continue to serve families at this same location and the same hours of service. We are also extremely excited to have Dr. Martin Bazi join our team. By joining Horizon Health and Wellness, we will enhance our level of care for our pediatric patients here in the North Valley.

All patient records will be seamlessly transferred to Horizon Health and Wellness to ensure that your children's care will be uninterrupted. There is nothing further that you need to do at this time. This transition is all part of making sure we are always advancing to provide you with the best healthcare for your child and your whole family. Your child can now have a seamless transition from pediatric care to adult care at Horizon Health and Wellness.

## **About Horizon**

For more than 40 years, Horizon Health and Wellness has been serving the health care needs of Arizona residents. As a non-profit integrated health care provider licensed in Arizona and accredited through the Joint Commission, Horizon delivers a wide variety of inpatient, outpatient and residential services for all ages and stages of life. Horizon's comprehensive health care services include family medicine, emotional and behavioral health, addiction treatment, psychiatry, counseling, Telehealth and much more. The Horizon philosophy is "Kindness Matters" and this relates to customer care, as well as to staff. Healthcare centers are located throughout Arizona with kind, caring professionals who value, honor and respect the cultural differences in the communities served.

Thank you for allowing us to care for your kids.
