

Pendleton Pediatrics Update

PENDLETON PEDIATRICS IS NOW PART OF THE HORIZON HEALTH AND WELLNESS TEAM.

Effective June 17, 2022

Even though we will now operate as one company – Horizon Health and Wellness – you can rely on the same personal working relationships that you had in the past. You will still be dealing with the same people, and you can depend on the same quality of work.

This is an important move that will allow our practice to grow and will provide a larger network of care for our patients. Joining Horizon also offers a stronger business structure with more personnel and resources, which will give us more time with our patients.

Pendleton Pediatrics and Horizon Health and Wellness hold similar values and philosophies on doing business: providing outstanding quality care for the patient, an emphasis on integrity and kindness, and the importance of bringing a positive work environment each and every day.

For more than 40 years, Horizon Health and Wellness has been serving the health care needs of Arizona residents by delivering a wide variety of inpatient, outpatient and residential services for all ages and stages of life. We are thrilled to now be part of the Horizon family.
