YOUR CHILD'S HEALTH IS
OUR PRIORITY

As an integrated health care clinic, we offer a wide range of services, including primary care and behavioral health care. Services available in Spanish and English. Servicios disponibles en español e inglés.

- ✓ Pediatric Primary Care Services
- ✓ Individual, Family, and Group Counseling for Children
- ✓ Psychiatric Services

OUR PROVIDERS

Our providers are committed to building strong relationships with you and your family. We work with you to create a treatment plan that supports your child's overall well-being, helping them to grow up happy and healthy.

Martin Bazi, MD
Board-Certified Pediatrician

Dr. Martin Bazi is a dedicated board-certified pediatrician with over 40 years of experience. He graduated from medical school in Basrah, Iraq in 1980 and has worked in Arizona, Illinois, Florida, Georgia, Louisiana, and New Jersey. Outside of work, Dr. Bazi enjoys being a father of three, creating landscape art, jogging, hiking, and traveling.

Louis Trunzo, MD
Board-Certified Pediatrician

Dr. Louis Trunzo is a board-certified pediatrician with over 30 years of experience. He studied at Cetec University and did special training in ambulatory pediatrics, autism, and obesity medicine. Dr. Trunzo enjoys spending time with his six children, eight grandchildren, and pets, as well as gardening and swimming. He speaks Spanish and is passionate about preventative medicine to help kids stay healthy.

Bree Scott, PMHNP

Bree Scott has a master's degree in Nursing from Walden University and specializes in Psychiatric and Mental Health Nursing. She's working on becoming a dual-certified Nurse Practitioner while helping people of all ages take control of their health with a patient-centered approach. In her free time, she likes shopping, cooking, spending time with her family and pets, and exploring new foods.
